Wrap cover
You will need to extend your design to fill the 20mm bleed area. This area will be wrapped aroud to inside cover pages

Cut Line
This is where we aim to cut your design to the finished size. Any part of your design placed outside this area will be cut off.

Safe Zone
The safe zone is 3mm inside of the cut line on the outer edge of the cover and 15mm away from the spine due to the groove. Make sure all important elements and text are kept within this blue area.

Spine
The binding edge of your booklet. You can add graphics and text to here or have an image/background running across your cover.
The spine size will vary depending on the page count of the booklet.
Please contact us to find out what spine size will be for your order.
